The Honorable Kay Granger

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the City of Morris' East Side Water Treatment Plant and Wells Project through the fiscal year 2023 Appropriations bill. The entity to receive funding for this project is the City of Morris located at 700 North Division Street, Morris, IL 60450. The funding would be used for the construction of a new water treatment plant and associated wells to supply water to their expanding east and north areas. The project involves the construction of two new deep wells and raw water supply lines to provide raw water to the proposed softening facilities. The project will improve the ability to receive new industrial and commercial enterprises and will in turn create an additional 100 permanent jobs. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Adam Kinzinger
Member of Congress
